russ bookbinder

executive vice president/business operations
wnba governor

Russ Bookbinder serves as the Executive Vice President of Business Operations for Spurs Sports & Entertainment. Now in his 19th season with the organization, Bookbinder manages the day-to-day business operations for SS&E's three sports franchises: the Spurs (NBA), Silver Stars (WNBA) and Rampage (American Hockey League). He also serves as the Silver Stars WNBA Governor.

Bookbinder was a key figure in bringing the Silver Stars to San Antonio. Together, he and Clarissa Davis-Wrightsil worked countless hours educating the Alamo community about women's basketball and on November 13, 2002, the WNBA awarded San Antonio with a WNBA franchise.

The Silver Stars have had tremendous support from the San Antonio community over the past three seasons in the WNBA. Last year San Antonio ranked second in the league in sponsorship support and first in group ticket sales.

Bookbinder's effort doesn't stop with the Silver Stars. He has contributed to the success of the Spurs as well. The Spurs have enjoyed tremendous success in attendance, broadcasting, sponsorship support and community awareness during Bookbinder's leadership. During his tenure the Spurs have been one of the NBA's highest attended franchises; averaging almost 19,000 fans per game over the past 16 seasons.

Over the past three years the Spurs have been named one of the top franchises in professional sports in ESPN The Magazine's Ultimate Standings. In 2004 and 2006, the Spurs took home top honors, and in February 2005 they placed second in the standings. The team was judged by fans in eight categories including, fan relations, bang for the buck, ownership, players, stadium experience, affordability, coaching and winning. Bookbinder, along with SS&E management and staff use the same philosophy with all three of their franchises: in order to have the best fans in sports you have to deliver the best team in sports in all aspects. Deliver a very competitive team built on character, teamwork and unselfishness and use that asset to positively influence your community.

Upon his arrival in San Antonio, Bookbinder created a community relations department and the non-profit Spurs Foundation, an organization designed to give back to the community. Since its formation in 1988 the Foundation has generated over $8.6 million in cash and in-kind contributions for area youth programs. In addition, he has worked with area school superintendents to establish several programs to motivate students in the areas of self-worth, character development, attendance and drug and substance abuse education. The Spurs' Project GOAL received the 1994 Human and Civil Rights Award from the Texas State Teacher's Association and in 2000, the team received the Pro Team Community Award from the World Sports Humanitarian Hall of Fame as the top team in all major league sports in serving the community.

Born and raised in Miami - and a 1974 graduate of the University of Florida - Bookbinder started his career in the sports business in 1976 as the Western Regional Manager for Professional Sports Publications. He has 25 years of experience in the NBA, serving in top management positions with the Dallas Mavericks, San Diego Clippers and Denver Nuggets. Prior to joining the Spurs, Bookbinder was the Director of Corporate Development for Raycom Sports.

Since coming to San Antonio, Bookbinder has been very involved in helping to enhance the sports industry in the Alamo City as a member of the Board of Directors of the San Antonio Sports Foundation. He played a major role in the creation of the Alamo Bowl and served as the president of the San Antonio Bowl Association in 1994. He continues to serve on the Bowl's Board of Directors.

In 1991, Bookbinder developed SAOne, Inc., the Spurs special event management company that has brought numerous NFL preseason, NCAA football and basketball events as well as NHL hockey to San Antonio. He was also instrumental in San Antonio's successful hosting of the 1996 NBA All-Star Game and served on the San Antonio Local Organizing Committee for the 1998 NCAA Final Four. Bookbinder has served on the National Board of Trustees for the Fellowship of Christian Athletes and is a member of the Board of Directors for the San Antonio Greater Chamber of Commerce. In addition, he is a member of the Advisory Board of the San Antonio chapter of the National Multiple Sclerosis Society and was named the National Volunteer of the Year in 2003.

Bookbinder is married to the former Tammy Teaff, whose father, Grant, is the former Head Football Coach at Baylor University and is currently the Executive Director of the American Football Coaches Association. They have two children, a 19-year-old son, Josh, and a 16-year-old daughter, Jessy.

rick pych

executive vice president / finance & corporate development / chief development officer - AT&T Center

Rick Pych leads all of Spurs Sports & Entertainment's financial, legal, information systems, and risk and facility management and is responsible for all budgeting, corporate planning and development on behalf of the organization and ownership. He oversees all of SS&E's government relations and communications and manages all player salaries and salary cap matters. With over 30 years of financial and business management experience, Pych was named the Spurs chief financial officer in 1993 and was promoted to executive vice president in 2000

In 1995, Pych started a development, financial, and operating study for a new multi-purpose arena that would be home to the Spurs and first brought the need for a new playing facility to focus to the Spurs owners, which eventually resulted in a public funding referendum being passed in 1999. After the election, Pych was named as the chief development officer for the AT&T Center and directed all aspects of the AT&T Center development project. He headed up the negotiations with Bexar County in finalizing the arena's development and operating agreement and negotiated financing, which provided SS&E's contribution to the construction project as well as ongoing franchise funding.

Pych led a team of architects, contractors, and project managers in the design and construction of the AT&T Center, which opened in October 2002. Today, he continues to oversee the operations of the AT&T Center.

Pych also led the organization's efforts to bring hockey to the AT&T Center. In 2002, he negotiated the purchase of an American Hockey League (AHL) affiliate and then entered into a joint venture and affiliation with the Florida Panthers to play in San Antonio. In the summer of 2005, Pych negotiated the buy out of the Florida Panthers ownership in the team and negotiated a new affiliation agreement with the Phoenix Coyotes. He oversees hockey operations for the Rampage and is the team's AHL Board of Governors representative.

A member of the Board of Directors of the San Antonio Sports Foundation since 1989, Pych is part of the team that worked to bring many events to San Antonio, including the U.S. Olympic Festival, the National Senior Olympics, the NCAA Women's Final Four and the NCAA Men's Final Four, and the Pan Am Games.

He also serves on the Board of Trustees of Via Metropolitan Transit, on the Board of the San Antonio Tax Increment Reinvestment Zone (TIRZ), and the Boys and Girls Clubs of San Antonio Board of Directors.

Pych holds a degree in accounting from Fairfield University and is a CPA. He has a 19-year-old son, Zack, who currently plays in the Atlantic Junior Hockey League for the Maine-based Portland Pirates.

dan hughes
head coach

Now in his second season with the team, Dan Hughes serves as the head coach and general manager of the San Antonio Silver Stars. In his dual roles, Hughes oversees the Silver Stars' basketball staff, the team's roster development and all player acquisitions, while also coaching the team.

In his first season with the Silver Stars, Hughes played an integral part in selecting Kendra Wecker and Shyra Ely in the 2005 WNBA Draft. He also helped orchestrate the trade between San Antonio and Connecticut that brought Katie Feenstra, a 2005 All-Rookie selection, to the Alamo City.

Prior to joining the Silver Stars Hughes spent a year serving as the Mid-American Conference (MAC) assistant commissioner for Men's Basketball Operations. Before joining the MAC's athletic office, he served as the head coach of the Cleveland Rockers from 2000-03 before the team ceased operations in the fall of 2003.

During his four-year stint with the Rockers, Hughes posted a 66-64 record with three trips to the playoffs. His overall record with the Rockers made him the winningest coach in franchise history. In his first season in Cleveland, Hughes directed the team's resurgence from a 7-25 season in 1999 to a 17-15 finish in 2000 and was voted WNBA Coach of the Year runner-up. The following year Hughes was named 2001 WNBA Coach of the Year after leading the Rockers to a 22-10 record and to their second straight playoff appearance. The 2001 Rockers were one of the best defensive teams ever, posting defensive statistics that still rank amongst the best in the WNBA record books. Cleveland led the league in three defensive categories during the 2001 season, including opponents' points per game (55.9 ppg, first in league history), opponents' field goal percentage (.381, second in league history) and opponents' total rebounds (27.84 rpg). The Rockers finished second in point differential (+6.8 ppg) and opponents' defensive rebounds (18.56 drpg). Hughes' Rockers kept 11 teams to 50 points or less, three teams to under 40 points and five teams to their franchise low, including a WNBA record 34 points vs. Washington on May 31, 2001.

Hughes got his first shot at coaching in the WNBA with the Charlotte Sting. While serving as an assistant coach during the 1999 season, Hughes took over as head coach midway through the season and helped the Sting improve their standing in the Eastern Conference from fourth to second place, posting a 10-10 record. He led the team to its third consecutive playoff appearance and its first ever playoff series victory. In addition to his coaching responsibilities in Charlotte, Hughes was also a scout for the Charlotte Hornets during the WNBA's offseason.

A native of Lowell, Ohio, Hughes has been involved in coaching basketball at almost every level in the Buckeye State. Prior to joining the Sting, he served as the assistant coach with the University of Toledo's women's basketball program (1996-97) and men's basketball program (1991-96). During his tenure with the Rockets' women's team, they posted a 27-4 record, winning the MAC Championship, and made an NCAA Tournament appearance. He also served assistant coaching stints with the men's teams at Mount Union College (1982-84) and (1985-91) and Baldwin-Wallace College (1984-85). During the 1977-78 season, Hughes served as a graduate assistant at Miami of Ohio, helping the team to a MAC Championship and an appearance in the NCAA Regionals.

Hughes graduated with a degree in physical education and history from Muskingum College in New Concord, Ohio, in 1977. He received a master's in education from Miami University of Ohio in 1978.

Hughes and his wife, Mary, have two children, Sara and Bryce.

The AT&T Center—San Antonio's state-of-the-art arena—opened in November, 2002. A public-private venture amongst Bexar County, the Coliseum Advisory Board, the San Antonio Livestock Show & Rodeo and Spurs Sports & Entertainment, the AT&T Center truly offers, "Something for Everyone."

The facility hosts four anchor tenants: the NBA Spurs, the AHL Rampage, the WNBA Silver Stars and the San Antonio Stockshow & Rodeo. Additionally, the venue attracts a multitude of concerts, family shows and special events.

In its first two years, the AT&T Center has hosted over 400 events entertaining over four million guests. George Strait, the Rolling Stones, Billy Joel & Elton John, Prince, Luciano Pavarotti and Van Halen are just a few of the musical acts that have visited the AT&T Center. Other entertainment acts—including Sesame Street Live, WWE Smackdown and Raw, the Wiggles and championship boxing—have also made stops in San Antonio thanks to the AT&T Center.

The facility offers diverse events to the San Antonio community and all of South Texas thanks in part to its various seating capabilities which range from 1,000 in its theater setting to 18,797 for a Spurs game. Recently, the venue launched a new "Tier II" campaign to leverage its ancillary meeting spaces, exhibition/trade configurations and unique special event opportunities. This additional amenity further illustrates the facility's full-service approach to every event's specific needs.

Built in a "ranch tech" style, the AT&T Center is designed to present a sense of place, both inside and out. The external view, in addition to its distinctive architecture, features park-like landscaping that's both visually appealing and environmentally friendly. Inside, the design continues to capture the South Texas ambiance with festive colors and imaginative details.

Adding to the interior appeal of the AT&T Center is a $1 million collection of fine art produced under the director of Spurs owners Peter and Julianna Holt. The diverse collection ranges from Texas-styled art to modern art with a basketball theme.

"We are enormously proud of the AT&T Center and what it brings to the community," said Holt, who serves as Chairman and CEO of Spurs Sports & Entertainment. "We're proud to have been part of the effort. Now we can provide South Texas with some of the best sports and entertainment available anywhere in the U.S."

the fox/silver stars squad

the fox
mascot

The Fox certainly wasn't born with a silver spoon. As a pup, there were rough times; but, big dreams. A career in the movies didn't last long. A part in The Fox and the Hound didn't pan out when it was found out what happens to the fox at the end of the movie. The Fox also tried to get a part in the movie Dances with Wolves, until it was discovered that it involved no dancing, and no wolves.

The Fox began a career in the WNBA on May 25, 2003 and has been entertaining at every Silver Stars home game since then. The Fox's rookie year stats include averaging two hand walks per game, 4.2 dances per game, and 6.4 falls per game. But, with lots of hard work and training, The Fox wants to get that number up to seven or eight falls per game. Until then, you can see The Fox at the Silver Stars' home games, and appearing around town at various events. You can even book The Fox at your next event by calling (210) 444-5865.

AT&T STAR SQUAD

The AT&T Star Squad is a high energy male/ female interactive team that performs at each San Antonio Silver Stars home game. The squad performs high energy dance, stunt, and cheer routines throughout the game. In addition, the AT&T Star Squad assists in all on-court promotions, as well as greeting fans at the door and helping with any premium giveaways.

Appealing to fans of all ages, the AT&T Star Squad can often be seen pulling fans out of the stands to dance and interact on the court. After each game, select members of the AT&T Star Squad sign autographs as fans exit the building, while the rest of the squad entertains children and adults alike with impromptu performances.

2005 season notes

TAKING ADVANTAGE: With the Silver Stars taking the majority of their shots in the paint this season, its no wonder why San Antonio got to the line more often than their opponent...in the 34 games San Antonio played in, the Silver Stars took more free throws than their opponent in 19 games...as a team San Antonio has gone to the line 41 more times than their opponents, and made 40 more free throws.

MAKING THEM COUNT: As a team the Silver Stars were one of the best in the league in making their free throws count this season...San Antonio finished the year ranked third in the league in free throw percentage connecting on 77.1 percent (503-652) of their attempts from the charity stripe...the Silver Stars had three players who shot 80.0 percent or better from the foul line...LaToya Thomas shot 89.8 percent (44-49) from the line followed by Shannon Johnson who shot 83.1 percent (113-136) from the foul line and Chantelle Anderson rounded out the group connecting on 80.4 percent (37-46) of her attempts from the charity stripe.

DOING THE DISHES: Shannon "Pee Wee" Johnson did not have any trouble finding an open teammate this season, averaging 4.6 assists a game, fourth in the league...Pee Wee highlighted her talents at Sacramento on 8/18 when she handed out a career-high 13 assists...for the season she led the team in assists 24 times and has had five-plus assists in 16 games this season.

TURN OF THE CENTURY: Shannon "Pee Wee" Johnson dished out her 1,000th career assist at Minnesota on 8/9 with her fifth assist of the evening...she became the first player in league history to score more than 2,500 points and hand out 1,000 assists for her career...Sacramento's Ticha Penicheiro, Charlotte's Dawn Staley and former New York Liberty and Los Angeles Sparks' guard Teresa Weatherspoon all have over 1,000 assists, but none of them have cracked the 2,000 point plateau.

2,500 AND COUNTING: With 6:59 remaining in the first half against Sacramento on 7/14, Shannon "Pee Wee" Johnson became just the 21st player in WNBA history to eclipse the 2,500 point-plateau.

FEENSTRA SELECTED TO ALL-ROOKIE TEAM: Katie Feenstra was one of the most consistent players all season long for the Silver Stars and her play was rewarded with a selection to the WNBA All-Rookie Team...Feenstra finighed the season averaging 8.8 points, 5.1 rebounds and 1.29 blocks, eighth in the league...shot also shot 46.8 percent (104-222) from the field, good enough for 14th in the WNBA... for the season Feenstra scored in double figures 15 times and led the team in scoring nine times...she pulled down 10 or more rebounds in three games and led the Silver Stars in rebounding 13 times...she posted her first career double-double with 14 points and 11 rebounds at Charlotte on 6/21 helping San Antonio pick up a 64-49 victory.

1998 SEASON NOTES

- The Starzz selected Margo Dydek with the first overall selection in the 1998 WNBA Draft. The move would pay off as Dydek led the Starzz in rebounding, blocks and minutes during the 1998 season.
- Margo Dydek made WNBA history when she recorded a league record nine blocked shots against the Cleveland Rockers on Aug. 6, 1998. Dydek finished the season leading the league on blocked shots with 3.8 per game.
- Wendy Palmer turned in two of the greatest scoring performances in Utah Starzz history during the 1998 season. On July 8, Palmer tallied 30 points vs. Charlotte in a 69-77 loss vs. Charlotte. Later that season she eclipsed the 30-point plateau again scoring 31 points in a 81-71 win over Sacramento on August 12. Her 31-point performance still stands tied for the highest point total for a Starzz/Silver Stars player in franchise history.

wnba history

history of the wnba

On April 24, 1996, women's basketball announced "We Got Next" as the NBA Board of Governors approved the concept of a Women's National Basketball Association (WNBA) to begin play in June of 1997.

Since that day in 1996 there have been many firsts for the WNBA:

Val Ackerman – the first president of the WNBA

Sheryl Swoopes – the first player signed to the WNBA

Cynthia Cooper – the league's first Most Valuable Player

Houston Comets – the first WNBA Champions

Lisa Leslie – the first WNBA player to dunk

The inaugural WNBA season tipped off on June 21, 1997, with the New York Liberty taking on the Los Angeles Sparks at the Great Western Forum in Inglewood, California. A crowd of 14,284 watched as Sparks' guard Penny Toler scored the first basket in WNBA history. The Liberty defeated the Sparks, 67-57.

10TH ANNIVERSARY . . . As the most successful and longest-running professional women's team sport in America, the WNBA looks forward to celebrating its 10th Anniversary in 2006 when we will pause to honor those who have enabled us to reach this milestone and eagerly look to embrace the future and the myriad opportunities that lie before us.

To commemorate this special anniversary season, the League will initiate a number of special platforms. Two of the more visible platforms will be the selection of 10 players to the WNBA All-Decade Team and the selection of the 10 Greatest Moments in WNBA history. Both initiatives will involve fan voting on WNBA.com.

Voting for the All-Decade Team, which will see fans, celebrities, media and basketball personnel narrow a group of 30 nominees to a list of 10 current and former players, will take place between April 28 and May 31. The team will be announced on June 13 and will be honored at the WNBA All-Star Game in July.

The Greatest Moments program will involve fans choosing their top 10 moments from among a list of 20 nominations. The top 10 Greatest Moments will then be aired on ESPN and ABC broadcasts with the #1 moment being unveiled during the 2006 WNBA Finals.

The WNBA's 10th anniversary season tips off on Saturday, May 20, 2006 and will include ABC's broadcast of the defending WNBA Champion Sacramento Monarchs as they commemorate their 2005 WNBA title by raising the championship banner prior to squaring off against All-Star guard Diana Taurasi and the Phoenix Mercury at ARCO Arena beginning at 4 p.m. EDT.

BROADCAST . . . The national television schedule for the 2006 regular season includes six games on ABC, 14 Tuesday night games on ESPN2 (including five doubleheaders), and nearly 50 games on NBA TV. The league's 10th season also will feature appointment viewing on Tuesday nights as ESPN2 will televise 14 WNBA games – including five doubleheaders – on Tuesdays this spring/summer.

Broadcast coverage of the 2006 WNBA postseason by ABC and ESPN2 will include more first-round games than in 2005, and continuing with the league's more consistent presence on ESPN2, every game of the 2006 WNBA Finals will be televised by ESPN2.

GLOBAL REACH . . . The WNBA enjoys significant popularity around the globe as evidenced by the fact that in each year since 1999, WNBA regular season games and Finals contests have been telecast to more countries, in more languages, via more broadcast partners than the previous year. During the 2005 season, the WNBA set records with 68 telecasters broadcasting WNBA programming to 193 countries in 31 languages. In addition, WNBA entered first-time agreements with telecasters in many markets, including Albania; Belarus; China; Czech Republic; Dominican Republic; Hong Kong; Nigeria; the Philippines; and Ukraine. International television interest in the league is driven by the league's many international stars, including Lauren Jackson of Australia, who in 2003 became the first foreign-born league MVP in the WNBA. In 2005, WNBA games and programming were broadcast to all 19 countries represented by one the league's 30 international players.

PARTNERS . . . The WNBA enters its groundbreaking 10th season with unprecedented marketing support for a women's professional sport. In addition to enjoying long-standing partnerships with major national and international brands such as Coke, Gatorade, Nike, Reebok, America Online, Spalding and Southwest Airlines, the league last season added major new marketing partnerships with Toyota, T-Mobile, and McDonalds. This year, new partners include Ocean Spray-Craisins and Luminari. In addition, existing partners Reebok and Spalding took on new roles, respectively, as the Presenting Partner and Associate Partner for the 2006 WNBA Draft.

The WNBA's marketing partners utilize the league to support women's sports and reach its strong fan base of women, families and young girls through advertising in the League's nationally-televised games, national promotions, player endorsements and special events. The WNBA delivers the highest concentration of adult women, who statistics show make the majority of purchasing decisions in American households, both in-arena and on television, of any sport.

WNBA All-Star . . . On July 14, 1999, the league held the Inaugural WNBA All-Star Game at Madison Square Garden in New York City, which was televised live on ESPN. The capacity crowd of 18,649 witnessed the incredible athleticism, teamwork, fan involvement and in-arena excitement that is unique to the WNBA. The Western Conference All-Stars – led by the game's Most Valuable Player and Los Angeles Sparks center Lisa Leslie – defeated the Eastern Conference 79-61.

In 2003, the WNBA All-Star Game marked its fifth anniversary with a return to Madison Square Garden on July 12. The event made its network television debut on ABC. The West All-Stars won the event for the fifth straight year by beating the East All-Stars 84-75 in front of 18,610 fans, with Nikki Teasley of the Los Angeles Sparks taking home the MVP honors.

In 2004, the Summer Olympic Games in Athens, Greece created a one of a kind opportunity for the WNBA. After the league's decision to break for the month of August to allow Olympic team members to represent the U.S., the concept for WNBA All-Stars vs. USA Basketball: The Game at Radio City was born. Serving as an Olympic Team send-off, the game -- played in front of a sell-out crowd -- made history as the first basketball game played in the historic venue.

2005 brought the All-Star game to Mohegan Sun arena, home of the Connecticut Sun. The West All-Stars kept its perfect record alive (6-for-6) as they won the highest-scoring WNBA All-Star game in history, 122-99. MVP honors went to Houston Comets guard Sheryl Swoopes and Lisa Leslie converted on her second career WNBA dunk.

WNBA Finals . . . The first four years of the WNBA saw the Houston Comets dominate the league Finals and create the first dynasty of the WNBA. The Comets captured the inaugural Championship against New York on August 30, 1997 by a score of 65-51. Comets guard, Cynthia Cooper won the first Finals MVP award. In 1998, the WNBA Finals expanded to a three-game series and Houston defeated Phoenix two games to one. Houston's Cynthia Cooper captured her second consecutive Finals MVP award. The Houston Comets would go on to capture Championship titles in 1999 and 2000.

history of the wnba

In 2001, Los Angeles knocked off Houston in the early rounds of the Western Conference playoffs and advanced on to meet Charlotte in the WNBA Finals. Los Angeles, due in large part to the play of Finals MVP Lisa Leslie, won the WNBA Finals two games to none. In 2002, Los Angeles advanced to the WNBA Finals and earned the right to defend their WNBA championship versus New York. The Sparks defeated the Liberty two games to zero and won their second consecutive Finals and Lisa Leslie won the WNBA Finals MVP award for the second straight year.

In 2003 the WNBA had a new championship team, after just two champions in five years. The Detroit Shock captured the WNBA crown in front of a record-setting crowd of 22,076. The Shock won 83-78 over the Los Angeles Sparks and Detroit center Ruth Riley was awarded the Finals MVP.

In 2004, the Seattle Storm and the Connecticut Sun advanced to the WNBA Finals each for the first time. In a decisive third game, the Storm who were in complete control the entire forty minutes, defeated the Sun 74-60 and Seattle guard Betty Lennox captured the Finals MVP title.

In 2005, The Sacramento Monarchs and the Connecticut Sun competed for the chance to win the first ever best-of-five WNBA Finals. The Monarchs captured the team's first WNBA championship as they took down the Sun in four games and Sacramento center Yolanda Griffith won the Finals MVP award.

The WNBA Draft . . . The Comets selected Tina Thompson, the Pac-10 Conference's leading scorer, with the first pick of the inaugural WNBA Draft. Margo Dydek, a 7-2 center from Poland, was selected first in the 1998 Draft by the Starzz, and two-time Associated Press Women's Basketball Player of the Year Chamique Holdsclaw was the Washington Mystics' No. 1 selection in the 1999 Draft. In 2000, the Cleveland Rockers selected Ann Wauters from Belgium as the 1st overall pick, and Australian Olympian Lauren Jackson went to the Seattle Storm with the No. 1 selection in 2001. One Year later, National Player of the Year Sue Bird was selected by Seattle, who had the top pick for the second consecutive year by virtue of the WNBA's first Draft Lottery, held in New York on November 13, 2001. The Cleveland Rockers made Latoya Thomas of Mississippi State the No. 1 selection in the 2003 WNBA Draft held Friday, April 25, 2003. The 2004 first overall pick has come to be known as the worst kept secret in the history of the WNBA Draft when the Phoenix Mercury selected University of Connecticut star and three-time NCAA Champion Diana Taurasi. On April 16, 2005 Charlotte selected Janel McCarville from the University of Minnesota as the number one overall pick in the 2005 WNBA Draft.

In the Community . . . Off the court the WNBA continues to position its players as positive role models for all of its fans – male and female, young and old. The League and its teams created and implemented programs which emphasized healthy lifestyles, positive self-image, breast health awareness, reading and youth basketball programs.

Through WNBA Cares, the WNBA is deeply committed to creating programs that improve the quality of life for all people, with a special emphasis on promoting a healthy lifestyle and positive body image, breast health awareness, youth and family development, and education.

WNBA Cares in partnership with NBA Cares, an initiative through which, the Leagues, players and teams will raise and contribute $100 million for charity, donate more than 1 million hours of hands-on volunteer service to communities worldwide, and build more than 100 places where kids and families can live, learn and play over the next five years.

WNBA Be Smart – Be Fit – Be Yourself encourages teens and women of all ages to learn more about their bodies and the importance of physical fitness through programs related to health, fitness, nutrition and self-esteem. Programming inspires teens and women to get started on "being fit" through small changes in their daily regimen. The content of the program is communicated and delivered through a Fitness Journal, a 'Team' of Spokespeople, National and Local grassroots events, promotion and a mobile tour.

Also, this past off season the WNBA was the recipient of the 2006 Women who Make a Difference Award from the National Council on Research for Women.

KEY RULES . . . Ball size: 28.5" (high school and NCAA women's)
3-point line: 20'6 1/4" (International)

The WNBA has approved three rule changes for the 2006 season:

- The format of WNBA games will be changed to four 10-minute quarters instead of the previous two 20-minute halves.
- In addition, the 24-second shot clock replaces the previous 30-second clock. It will be reset to 14 seconds when a defensive foul or other defensive violation occurs with less than 14 seconds remaining on the shot clock. It will be left unchanged when a defensive violation occurs with 14 seconds or more remaining on the shot clock.
- Jump balls to begin the second, third and fourth quarter, formerly the second half, have been eliminated and the winner of the opening tip will receive the ball out of bounds at the start of the fourth quarter. The loser of the opening tip will have position at the beginning of the second and third quarter. Jump balls, however, will still be used to determine possession after a held ball.

WE GOT GAME . . . Women's basketball has come a long way since its beginnings in 1892 when Senda Berenson adapted James Naismith's basketball rules for women. And with the continued growth of the WNBA, the sport continues to grow in popularity and set new standards for what women athletes, and women in general, can achieve. 2006 wnba playoff format

Eight teams qualify for the 2006 WNBA Playoffs, the top four teams from each conference. The first and fourth place teams and the second and third place teams will each play a best-of-three first round series. The winners of the first round series in each conference will play a best-of-three conference final. The two conference final winners will meet in a best-of-five championship series called the WNBA Finals.

TIEBREAK PROCEDURE

The following tiebreak procedure shall be used to break ties for playoff eligibility, home court advantage and draft order. In determining draft order, non-playoff teams will always select before playoff teams.

1. TWO-WAY TIE BETWEEN TEAMS IN THE SAME CONFERENCE

In order to break a tie, the following criteria will be utilized in the order set forth:

(a) Better record in head-to-head games.

(b) Better winning percentage within own conference.

(c) Better winning percentage against all teams with .500 or better record at the end of the season.

(d) Better point differential in games head-to-head.

(e) Coin toss.

2. TWO-WAY TIE BETWEEN TEAMS IN DIFFERENT CONFERENCES

In order to break a tie, the following criteria will be utilized in the order set forth:

(a) Better record in head-to-head games.

(b) Better winning percentage against teams in the opposite conference.

(c) Better winning percentage against all teams with .500 or better record at the end of the season.

(d) Better point differential in games head-to-head.

(e) Coin toss.

3. MORE THAN TWO TEAMS TIED

As many teams as possible will be eliminated at each step. As soon as one or more teams are eliminated at any step, the process must begin again from step (1).

(a) Better winning percentage among all head-to-head games involving tied teams.

(b) Better winning percentage against teams within conference (if all teams are from the same conference) or better record against teams in the opposite conference (if one or more teams are in different conferences).

(c) Better winning percentage against all teams with a .500 or better record at the end of the season.

(d) Better point differential in games involving tied teams.

(e) Coin toss.

NOTE: Conference ties that affect playoff seeding will be broken prior to multi-team, two conference, draft order ties but the outcome of such playoff-seeding tiebreaker will not impact the subsequent multi-team, draft order tiebreaker (i.e., with more than two teams tied, it is possible that a higher seeded playoff team involved in a multi-team, two-conference draft order tiebreaker will also receive a higher draft selection).

SCHEDULING

FIRST ROUND

The first and second place teams in each conference will have home court advantage in the First Round and will host Games Two and Three (if needed) of the series after playing Game One on the road.

CONFERENCE FINALS

The team with the better regular season record will have home court advantage in the Conference Finals and will host Game Two or Three (if needed) of the series after playing Game One on the road.

SILVER STARS IN THE COMMUNITY

A sports franchise is more than a collection of superb athletes – it is a partnership with its community.

We all benefit when kids succeed in school, when we have an educated workforce, when families are strengthened, when neighborhoods are safe and when everyone takes the time and responsibility to make our community an even better place to learn, live, and work. In addition, through our partnership with the Spurs Foundation, the San Antonio Silver Stars help to create opportunities and enhance the quality of life for the San Antonio and South Texas communities.

The Silver Stars connect with fans of all ages through extensive community and educational outreach activities. As we mark the 10th season of the WNBA and our fourth season in San Antonio, our Silver Stars players are committed and dedicated to our community and honored to be your friends and neighbors.

SILVER STARS "BE SMART, BE FIT, BE YOURSELF" PRESENTED BY MCDONALD'S

Be Smart • Be Fit • Be Yourself

The Silver Stars Be Smart • Be Fit • Be Yourself program is designed to educate teens and women about the risks and dangers of obesity and inactivity and to answer questions about healthy nutritional and lifestyle choices. The platform focuses on the development and execution of events and programs that emphasize the importance of good nutrition, regular exercise and positive self image, and targets our youth fan base as well as their families. Throughout the year, Silver Stars players, coaches, and personnel will conduct Be Smart • Be Fit • Be Yourself clinics throughout the San Antonio community.

CHOOSE RESPECT

CHOOSE RESPECT

The Choose Respect Program teaches young teens and the caring adults in their lives about healthy relationships and treating others with respect. Participating pre-teens and teens who complete the program will be invited to a weekend Silver Stars game to be a part of the "Choose Respect Section". Throughout the season, Silver Stars players and coaches will interact with participants to emphasize the important message of this program.

BREAST HEALTH AWARENESS

Breast Health Awareness

The Silver Stars Breast Health Awareness program will focus on generating awareness and educating women about breast cancer in addition to raising funds for the initiative. Team activities will include a Breast Health Awareness night, a 5K Run and partnerships with area breast health non-profits including: Alamo Breast Cancer Foundation, the American Cancer Society, Cancer Therapy and Research Center, Susan G. Komen Breast Cancer Foundation, Inc., and WINGS (Women Involved in Nurturing, Giving, Sharing, Inc.).

Once again, fans will have the opportunity to log onto WNBA.com to bid on their favorite item featured in the Breast Health Awareness Auction. All proceeds from these items, including games of HORSE with WNBA stars, All-Star memorabilia and WNBA autographed items, will benefit the Susan G. Komen Breast Cancer Foundation.

READ TO ACHIEVE

READ TO ACHIEVE

Through the WNBA's exciting initiative devoted to children's literacy-READ TO ACHIEVE- the Silver Stars will again unite their leading assets to promote the value of reading, as well as encourage families and adults to read regularly with young children.

Here in San Antonio, the Silver Stars implement READ TO ACHIEVE through educational programming, read aloud events with Silver Stars players and coaches, and free book donations. It is especially important for San Antonio to embrace literacy according to the recent findings from the "America's Most Literate Cities" study that ranked San Antonio 75th out of the 79 cities across the country.

SILVER STARS BOOK BASKETS

Each year, the Spurs Foundation partners with Scholastic, Inc. to donate hundreds of books to emergent readers. At selected home games, Silver Stars "Book Baskets" will open for young fans to stop by and pick up a new book. This literacy partnership reinforces the Silver Stars message of READ TO ACHIEVE!

SILVER STARS PLAYERS SHARE THEIR FAVORITE BOOKS

During the 2006 WNBA season, Silver Stars players will again host on court book exchanges with children randomly selected from the fans at various home games. Each child selected to participate in these center court pre-tip book exchanges will receive an autographed copy of a Silver Star's favorite childhood book.

HIGH FIVE READERS, PRESENTED BY SACU AND EL TACO TOTE

During the 2005-2006 school year, an exciting four-week reading challenge rewarded first through fifth graders with great prizes, including 2,500 Silver Stars, Spurs, and Rampage tickets. Designed to challenge students to develop good reading habits, students competed individually and as a class in this well-received school-year challenge.

During the 2006 Silver Stars regular season, students from San Antonio Area Boys & Girls Clubs will be inducted into the "Whataburger Winner's Circle" – a program that recognizes hardworking Bexar County middle school students who display good citizenship and strive to do their best in and out of the classroom, and then rewards them with free Silver Stars tickets, in game recognition and dinner from Whataburger to one middle school student at each home game.

WHATABURGER "WHAT'CHA READING" SUMMER READING PROGRAM
